Home Learning Access Survey

Dear Parents / Carers,

We are very pleased to have the children back after such a strange few months. It is great that they are able to get into school to continue their learning and to see their friends.

School is once again seeming a more 'normal' place, but in the event of any children or their families needing to self-isolate, or even in the event of a wider lockdown, we want to be assured that every child will be able to fully engage with the online learning we will provide.

For this reason, we ask you to complete the short survey by clicking on the link below if you are viewing this letter on Facebook or School Ping. A paper copy is also being sent home with your child should you prefer to complete it this way. It is essential that every family completes this survey so we can plan in advance what action, if any, we may need to take.

Could we please ask that all surveys are completed online (or paper copies returned to our school office) no later than Friday 25th September to enable us to make any necessary arrangements.

I hope that you have all settled into the new school routines and that the children are enjoying being back.

Kind regards,

Mr M Aggus

Vice Principal
